About Ammaji

Swamini Pramananda (Ammaji) is an eminent spiritual scholar in India. With more than 40 years of teaching experience, she is one of the most renowned Vedanta & Sanskrit teachers. Ammaji and her foundation Purna Vidya are committed to imparting the timeless, everlasting wisdom of Vedanta through numerous courses, retreats, seminars and conferences around the world. She places a special focus on the teachings of the Bhagavad Gita.

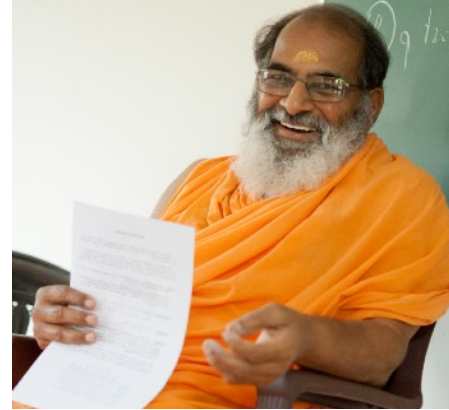

The Bhagavad Gita

is an ancient philosophical work that contains the foundations of the Indian spiritual world and it is a precious treasure trove of approaches and inspiration for every spiritual seeker. Just as Arjuna receives encouragement and guidance from Lord Krishna on the battlefield, we can be encouraged and guided by Ammaji's profound explanations. Her words are able to touch our deepest and highest soul and make it possible to let the clarity and wisdom of the Bhagavad Gita be felt in us.

Sanskrit

Parts of this workshop are dedicated to introduction of the Sanskrit alphabet in writing and pronunciation. **Swamiji Siddhabodhananda**, who

has been a renowned Sanskrit and Vedanta teacher for more than 45 years, will introduce the language that can give us additional depth and intuitive access to this ancient knowledge through chanting of Vedic sounds.
